

## IP DECOLITE BATTERY

An IP65 battery powered LED floodlight built around 15W RGB+White LEDs, with built-in wireless DMX

Référence: B05136

**269,00 € inc. VAT**

- A battery powered LED floodlight, built around RGB+White LED, to avoid unwanted color shadows.
- Beam angle = 10°.
- The ideal solution for many applications: exhibition stands, parties, special events
- Outdoor use: **IP65** compliant.
- Internally threaded fitting for use with optional accessories such as tubes and balls.
- Autonomy of +/-10 hours in 3 color fade mode with a fully charged battery!
- Each projector is equipped with a wireless transceiver module that is 100% compatible with the W-DMX G4 protocol developed by Wireless Solution Sweden.
- The projector can still be used with the battery empty: just plug it into the mains!
- The RGB + White color variation is very smooth thanks to the high frequency electronic components of the dimmer.
- The battery charger recharges the battery while the projector is running on AC power.
- Different modes of operation:
  - Autonomous: personalized colors of your choice or automatic, and color changes synchronized with the rhythm.
  - Master/slave mode: beautifully pre-programmed light shows synchronized with music.
  - Controlled via DMX: wireless. (5 modes: 4, 5, 9 or 10 channels, Ledcon-02 Mk2)
  - Controlled by a wireless IR remote control
- **NOTE: This product has an IP65 rating when used for non-permanent outdoor installation and under normal conditions (not exposed to sea water).**
