

BT-BOOTHLITE 35TW

Référence: B05196

139,00 € inc. VAT

Elegant white lighting with adjustable color temperature (CCT), ideal for illuminating exhibition stands, displays and much more (fixing clamp included).

- Elegant white lighting, ideal for exhibition stands, presentation rooms, etc.
- Adjustable color temperature (CCT) for a variety of stand types:
 - 3000 K: warm ambience, perfect for furniture stands, bedrooms, etc.
 - 4000 K: neutral light, ideal for kitchens, bathrooms, etc.
 - 5600 K: cool light, perfect for jewelry stands and other luxury products
- Easy installation on aluminum structures and vertical stand walls (mounting bracket included)
- Integrated 100-240 Vac power supply with IEC input/output connectors: up to 15 spotlights can be daisy-chained
- Optional power cables available in lengths of 1m, 3m and 5m
- Efficient replacement for older 300 W halogen lamps:
 - Consumes about 10 times less energy
 - Equivalent light output
 - Significantly reduces heat generation
- Beam angle: 120° (luminous flux approx. 3800 lm)
- Ideal for rental or fixed installation in showrooms
