

BT-CHROMA 800 - GLARE SHIELD

53,90 € inc. VAT

Glare protection for use in fixed outdoor installations with the BT-CHROMA 800

SKU: B05548
Categories: Architectural spotlights

EAN13 : 5420025655484
brand Briteq

- This accessory is mounted on the BT-CHROMA 800 to reduce the visibility of LEDs and annoying glare.
- It is easily attached to the luminaire by 4 stainless steel bolts.
- This anti-glare screen is mainly used for fixed outdoor installations, for indoor applications, you can also choose the "BT-CHROMA 800 - Barndoor" (code: B05547).
- Can be used with the filter holder (magnetic).
