Elegant IP65 projector with 120W RGBW LED for stage, TV, exhibition stand and architectural lighting

- This elegant 120W RGBW single beam projector is equipped with a 15° lens, making it a very powerful tool for all kinds of events (stage, TV set, exhibition stand, architectural lighting, etc.).
- IP65 compliant
- Three different DMX modes: 4, 6 and 7 channels.
- RDM functionality for easy remote configuration: DMX addressing, channel mode, ...
- The LCD display makes it easy to navigate through the various configuration menus.
- Ideal for TV studios: flicker-free LED with 1200 Hz refresh rate.
- Choice of lamp behavior: halogen lamp (slow) or diode (fast)
- Four intensity variation curves: linear, square, inverted square, S-curve
- In case of DMX failure, the "all off" or "hold" modes will remain available.
- Lock function to prevent unwanted configuration changes.
- White balance adjustment to match multiple projectors.
- Factory default settings and personal settings can be stored/loaded.
- 3-pin DMX I/O and Neutrik® TRUE1 PowerCON® I/O for easy daisy-chaining
- Fan cooled to prolong the life of LED.
- **NOTE: This product has an IP65 rating when used for non-permanent outdoor installation and under normal conditions (not exposed to sea water).**
