

BT-H2FOG COMPACT

1250W heavy duty ultrasonic fogging machine

SKU: B04900

Categories: [Heavy smoke machines](#)

EAN13 : 5420025649001

brand Briteq

- 1250 W heavy duty ultrasonic fogging machine.
- A powerful ultrasonic element converts the liquid mixture of smoke and water into a large amount of beautiful fog that spreads at ground level.
- Ideal for covering areas up to 80m² with thick ground fog.
- No more hassle with expensive and hard to find_{CO2} dry ice!
- The black pipe is equipped with a "quick snap" system to reduce installation time considerably!
- Adjustable fog output and fan speed:
 - Via 2 DMX channels
 - Via on-board control panel with LCD display and timer
- Water tank made of "304" stainless steel (instead of ordinary treated iron) to avoid rust!
- Ready for a wireless DMX connection: just plug in the optional dongle [WTR-DMX DONGLE]! (Briteq® Code: B04645).
- Original Neutrik ^{PowerCON®} and 3-pin DMX connectors for input and output
