

BT-NONAMIRROR

Double mirror adapter for mounting on the BT-NONAMOVE

Référence: B05534

69,00 € inc. VAT

- This adapter transforms the BT-NONAMOVE into a double-sided mobile mirror of 46x20 cm :
 - **Front:** The polished mirror can reflect a bright light/laser beam in any direction.
 - **Backside:** a diffuse reflector can produce soft, scattered reflections in any direction.
- It takes only 30 seconds and no tools to install the projector on the BT-NONAMOVE.
- The BT-NONAMOVE only needs 5 DMX channels to control the BT-NONAMIRROR.

Caractéristiques
