Very compact 150 W 3200 K LED cutter with 4 knives and 25° - 50° zoom

- Very compact but powerful 3200 K white LED "ALL-IN-ONE" cutter with :
  - Integrated manual zoom 25° ~ 50°.
  - 4-knife framing system for clean beam cuts
  - The **included gobo holder** guarantees sharp gobo projections
- High quality white with extremely high CRI > 96
- Designed with a 150 watt WHITE LED at 3200K
- Very quiet operation thanks to a silent cooling fan and different presets (live, studio, ...).
- Can be used in stand-alone mode without requiring DMX (museums, exhibition stands, ...).
- DMX controlled: 3 different channel modes for maximum flexibility.
- RDM functionality for easy remote configuration: DMX addressing, channel mode, ...
- Flicker-free TV recordings thanks to adjustable LED refresh rate
- Four dimming settings with different behaviors and speeds.
- Manual control of dimming, strobe and zoom.
- OLED display for easy navigation in the configuration menu
- In case of DMX failure, you can choose between blackout and freeze mode.
- Lock function to prevent unwanted changes to the settings.
- Lightweight but robust chassis.
- 5-pin DMX I/O + powerCON TRUE1 compatible I/O for easy chaining.
