

BT-RETRO

This retro-style projector is a must-have for many applications, including podiums, TV studios, nightclubs, lounge bars and many more... !

Référence: B05518

790,00 € inc. VAT

- This retro-style projector is a must-have for many applications, including podiums, TV studios, nightclubs, lounge bars and many more... !
- The golden reflector and the HPL-575 halogen lamp are combined to produce a pleasant warm light.
- The built-in high power RGB LEDs (48 x 3.5 W, RGB) can illuminate the reflector to produce even more amazing effects!
- Multiple units can be attached together using an optional BT-RETRO coupling adapter (part number: 05519).
- Built-in DMX control for halogen lamp dimming and RGB color effects with different channel modes.
- Ready for wireless DMX control with our optional WTR-DMX dongle.
- Can be used in stand-alone or master/slave mode, without the need for a DMX controller.
- RDM functionality for easy remote configuration: DMX addressing, channel mode...
- The matrix LCD screen ensures easy navigation through the various configuration menus.
- TV studio ready: passive cooling system and 1200 Hz flicker-free LED refresh rate.
- Four intensity variation curves: linear, square, inverted square, S-curve.
- In case of DMX failure, the stand-alone, dark or hold modes will remain available.
- Lock function to prevent unwanted configuration changes.
- White balance adjustment to match multiple projectors.
- Factory default settings and personal settings can be stored/loaded.
- Neutrik PowerCON inputs/outputs: easy daisy-chaining of multiple units.
- 3 and 5 pin DMX inputs/outputs for maximum compatibility.
- Prepared for use with Omega fasteners for quick installation.
- Uses a HPL-575W lamp with a G9.5 base and a heat sink (not included).
- An optional carrying case for two units is available.
