Extremely powerful 120W RGB and White LED spotlight (>5,800 lux at 5m/4°) with motorized zoom (4°-36°) for rental, touring and professional indoor/outdoor TV applications (IP65).

Référence: B04397

799,00 € inc. VAT

- Extremely powerful 120W RGB and White LED spotlight (>5,800 lux at 5m/4°) for rental, touring and professional indoor/outdoor TV applications.
- The fast but smooth motorized zoom from 4° to 36° allows to create exceptional magnification effects.
- Thanks to its unique optical lens design, this projector produces a perfectly uniform beam with excellent color mixing.
- The rugged die-cast aluminum enclosure is IP65 waterproof and features **waterproof** 3 or 5 pin XLR and power connectors for easy daisy-chaining of multiple devices. As a result, this projector will be your first choice for all **indoor and outdoor applications**: hotels, stores, discos, public and amusement parks, fairs, theaters, TV productions, medium and large stages...
- Six DMX modes from 5 to 17 channels, including two modes with user preset beam angle, compatible with our PRO BEAMER!
- The projector looks like a traditional lamp but has all the advantages of LEDs: energy savings!
- Color temperature presets: 2700 K to 8000 K
- White balance and RGB calibration for excellent color consistency
- Different dimming curves and dimming behaviors
- Menu-driven OLED display on the back with password protection
- RDM compatible (remote DMX addressing)
- The adjustable PWM (600 Hz to 25 kHz) also makes it an ideal choice for TV studios (no interference with TV cameras)
- Completely silent: the projector is cooled by natural air circulation, so there is no need for noisy fans!
- Die-cast aluminum housing with tempered glass and a double hanging hook for use as a floor lamp.
- Equipped with special GORE® ventilation to prevent moisture and condensation build-up inside the fixture.
- Power cable with IP compliant connector included!
- **NOTE: This product has an IP65 rating when used for non-permanent outdoor installation and under normal conditions (not exposed to sea water).**
