

BT-THEATRE 261FC

RGBALC theater projector with manual zoom 15° ~ 50°.

Référence: B06046

1079,00 € inc. VAT

Technical specifications:

- 200-watt RGBALC LED with 6 colors (red, green, blue, amber, lemon, cyan)
- Various CCT presets for white: 1800 K, 3000 K, 4000 K, up to 8000 K
- Highly realistic emulation of red shift during projector dimming
- 94 most frequently used color presets (LEE numbering)
- Color calibration system to avoid color differences between different batches

Features :

- DMX-controlled: 10 different channel modes (1 to 21 channels) for maximum flexibility
- Prepared for wireless DMX: simply connect an optional DONGLE WTR-DMX
- RDM functionality for easy remote configuration: DMX addressing, channel mode, ...
- Flicker-free TV recordings thanks to adjustable LED refresh rate
- Four dimmer settings with different behavior and speed
- Stand-alone mode: manual dimming control, color/CCT presets, green/magenta shift and zoom

Other features:

- Extremely quiet operation: heat-pipe technology with silent cooling fan and various presets (live, studio, etc.).
- OLED display for easy menu navigation
- In the event of DMX failure, choice between manual, blackout and freeze modes
- Lock function to prevent unwanted parameter changes
- Eight-pane protective grille included
- Robust extruded aluminum housing
- 3 and 5-pin DMX inputs/outputs + powerCON-compatible inputs/outputs for easy daisy-chaining

Advantages :

- Eliminates the need for separate white and color spotlights
- Wide range of colors and presets for maximum flexibility
- Suitable for theater, television, concert and event applications

Caractéristiques

Brand	Briteq
