Référence: B06014

319,00 € inc. VAT

- Elegant LED theater spotlight with 10° ~ 50° manual zoom.
- 50watt LED, warm white 3200K with high color rendering index (>92) for natural colors.
- With its attractive design, this projector is perfect for showrooms, stores, exhibition stands, rentals, restaurants, museums, etc.
- Filter holder for the use of color filters and four-leaf baffle included
- No need for heavy and expensive drive blocks!
- Completely silent operation, no noisy cooling fan.
- Extruded anodized aluminum housing with solid fork, available in black and white.
- LCD screen for selecting the different operating modes:
 - Stand-alone mode (master): adjust dimmer + strobe effect (if needed)
 - Master/slave mode: connect several projectors together, the first projector controls the others.
 - DMX controlled: 4 different channel modes (8-bit and 16-bit dimming) for maximum flexibility.
- Choice of lamp behavior: halogen lamp (slow) or diode (fast)
- In case of DMX failure, the "all off" or "hold" modes will remain available.
- RDM functionality for easy remote configuration: DMX addressing, channel mode,...
- Lock function to prevent unwanted configuration changes.
- Factory default settings and personal settings can be stored/loaded.
- 3-pin DMX inputs/outputs and 1 meter fixed power cord with standard power plug (CEE 7/7)
