

## **CEIL6TC-MKII**

3W TC 48VDC 20° IP65 6 LED Spotlight

**Référence:** H10658

**49,00 € inc. VAT**

## Optics

- 6 x 3W trichromatic LEDs
- Lenses equipped with a filter for a perfect diffusion
- Almost infinite variety of color shades with no ghost color reflection
- No infrared or ultraviolet emission
- LED lifetime of 25000 hours in full fire
- Flux (Lm): 590 +/- 2.5
- Efficiency (Lm/W): 33
- 20° beam opening angle
- Brightness of 266 Lux at 3 m in white

## Construction

- Extruded aluminum body
- Convection cooling
- Cable sealing gland
- IP rating: 65 (total protection against dust and water splashes)

## Technical specifications

- Power supply: DC12-48V 350 mA (max) /48V
- Power consumption: 18 W
- Compatible power and control units: PILOT60/120/240
- Cable: 1 m Cat.5e with RJ45 8-pin connector
- Operating temperature : -10°C ~ 40°C
- Dimensions:
- Diameter 111 mm
- Length 72 mm (without gland) / 92 mmm (with gland)
- Weight: 0,775 Kg
