

COB-4BAR

Powered 4bar: 4xCOB RGB 36W + IR + incl. box

Référence: B04952

489,00 € inc. VAT

- This elegant and compact active bar has 4 energy-saving COB projectors.
- No LED apart: each projector is equipped with a 36W COB LED which guarantees a perfect color match and is similar to a traditional light bulb!
- Prepared for wireless DMX: just connect a DONGLE WTR-DMX! (optional)
- Exceptional light intensity (exceeding traditional PAR56 300 W bulbs!)
- Infrared remote control included: no complex controller needed, perfect for DJs!
- Equipped with 2 IEC mains outputs, each with a remote on/off switch: any effect (with LEDs) up to 500 W can be connected!
- Different modes of operation:
 - **Autonomous with infrared remote control:** automatic or rhythmic synchronized color programs + on/off control of 2 sets of lights (optional)
 - **Master/slave mode:** several bars can be connected to each other to obtain wonderful light shows synchronized with the music and pre-programmed.
 - Controlled by our famous **LEDCON-02 Mk2** controller or the optional **COB-4BAR FOOTCONTROL**.
 - **DMX controlled:** different channel modes with program selection and individual RGB control.
- Beam angle of LED floodlight = 15° with lens or 100° without lens
- Perfect for mobile applications: just 1m long and a weight of only 8kg!
- Several possible uses: Nightclubs, DJs, rental companies, etc.
- 0-100% dimming and high-speed strobe functions (no need for additional strobes!)
- Excellent integrated programs offering fabulous light effects in perpetual change!
- Optional foot pedal: perfect for small bands!
- Backlit LCD display: 2x 16 alphanumeric characters for menu navigation.
- 35mm adapter for stand installation included.
- A lightweight but durable case for easy transport is included with the bar.
