

COB-PLANO

Compact 36W RGB COB-projector, 100°+15°beam.

Référence: B04951

159,00 € inc. VAT

- Very compact energy saving COB projector light!
- No LEDs apart: Equipped with 36W COB LED, which guarantees a perfect color match and similar to a traditional bulb!
- Two different projection angles: 100° wide angle or 15° only when using the included lens.
- Infrared remote control included: no complex controller needed, perfect for DJs!
- Different modes of operation:
 - **Autonomous with the infrared remote control:** automatic or rhythmic synchronized color patterns.
 - **Master/slave mode:** several projectors can be connected to each other to get wonderful light shows synchronized with music and pre-programmed.
 - **DMX controlled:** different channel modes with program selection and individual RGB control.
 - Can be used with the single LEDCON-02 Mk2 controller!
- Remote addressing is done from the infrared remote control!
- Perfect for mobile applications: very low power consumption and minimal space requirements
- Several possible uses: Nightclubs, DJs, rental companies, etc.
- 0-100% dimming and high-speed strobe functions (no need for additional strobes!)
- 4-character LED display for easy menu navigation
- Double bracket: easy installation as a floor lamp!
- Can also be mounted inside a QUATTRO 290 ALU beam, once the beam is installed!

Caractéristiques

Brand	JB Systems
Controllable colours	RGB
