

## CR12A-COMBO-F8

120 W RMS battery powered portable sound system with Bluetooth, USB reader and 2 UHF microphones - 800 Mhz range

- An easy to carry all-in-one - Performance and sound quality - Integrated media player and 2 UHF microphones

Référence: H10209

**879,00 € inc. VAT**

The CR12A-COMBO is a powerful, all-in-one system with excellent sound quality for all your mobile performances.

Equipped as standard with a USB/SD player, a Bluetooth® receiver, two UHF wireless microphones and a mixer allowing the connection of two additional microphones and an external source, the CR12A-COMBO is a complete, high-performance and easy-to-use solution.

Easy to carry with its integrated trolley, it also benefits from an excellent autonomy and can be charged during its use.

With its integrated compartment that can accommodate its two microphones, it can be easily stored in a minimum of space.

- Speaker: 10 inch speaker + 1 inch driver
