

## DISINFECTION CASE

This UV-C flight case allows you to disinfect all your professional tools in a fast and efficient way corona

Référence: B03300

**779,00 € inc. VAT**

- The UV-C flight case allows you to disinfect all your professional tools in a fast and efficient way.
- It is equipped with 4 lamps 55 W Philips TUV PL-L (Lamps NOT included).
- Don't waste any more time. Place the objects in the flight case, set the timer and in a few minutes the job is done.
- The duration for an effective disinfection is 3 minutes.
- Chemical-free disinfection method, safer for you and the environment.
- Without any residue on your tools.
- The Plexiglas inspection window gives you the assurance that the UV-C lamps are really working.
- Perfectly safe to use:
  - The UV-C lamps turn off immediately when the door is opened.
  - The observation window does not let any UV-C radiation escape and is therefore 100% safe (tested by calibrated UV-C dosimeters).
- Standard size 60 x 60 cm
- A set of casters and skateboard are available in option (References: B03287 and B03281).
