

CANNON EXPO

High-power spotlight (37 x 10 W CREE LED 6500 K) for large showrooms, car shows and exhibition stands

Référence: B05133

990,00 € inc. VAT

- Equipped with 37 "CREE" 10 W LEDs with cool white light (6500 K) for an extremely powerful 20° beam
- Very high CRI factor > 85 for perfect color rendering

Operating modes:

- Stand-alone: simply set the dimmer and you're ready to go
- DMX-controlled: easily set individual dimming levels on all fixtures in the DMX line
- Use as a directional LED strobe fixture

Features:

- Low power consumption: 380 W at full output to reduce electricity bills and protect the environment
- Quiet operation thanks to temperature-controlled cooling system
- High-contrast OLED display for easy menu navigation
- Flicker-free TV recording thanks to 3.6 kHz LED refresh rate

Options and Functions:

- Continuous adjustment to mimic the behavior of a halogen LED lamp
- Four intensity variation curves: linear, square, inverted square, S-curve
- RDM functionality for easy remote configuration
- Lock function to prevent unwanted configuration changes
- Factory default settings and memorizable personal settings

Connectors and housing:

- 3-pin DMX inputs/outputs + Neutrik powerCON inputs/outputs for easy daisy-chaining
- Extruded black anodized aluminum housing with heavy-duty bracket
- Frost filter and louver included

Caractéristiques

Brand	Briteq
