Overview

Compact and waterproof LED floodlight.

15 W RGB and White LED.

10° lens.

It is an easy to use "plug-and-play" projector for many outdoor applications (ideal for lighting trees in a garden, driveways, etc.).

16 fixed colors (with gradation).

"Fade," "soft transition," and "flash" color interlacing (with speed control).

Strobe function (with speed control).

Ground mounting bracket for easy installation in gardens, playgrounds, beaches, etc.

Easy-to-use IR-3 infrared remote control.

Warning: The IR-3 remote control is disabled as standard. Activate for the first use by pressing the ON button on the remote control for 3 seconds!

NOTE: This product has an IP65 rating for outdoor installation under normal conditions (not exposed to sea water).
