

F-7 Smaze

Fog and mist machine. Designed for large rooms

Référence: B04844

2590,00 € inc. VAT

- Designed for large rooms
- By switching from fog to mist mode and back, the machine is able to produce a very thick fog or a fine mist able to fill the room in a few minutes.
- Equipped with our latest technology air pump: self-cleaning and production of a fine and dry mist.
- The integrated fan allows you to easily direct the fog in all directions (9 position angles).
- Operation in stand-alone mode or by control (wired or wireless) via 3 DMX channels (mode, fog/fog volume, fan speed).
- Fog: 23000 cuft/min (651 m³/min) - Mist: 6000 cuft/min (170 m³/min)
- Wireless DMX with the module: **W-DMX-PCBR**
- Net weight : 52,5 kg
