brand Antari

- The FT-200 introduces new technologies to offer one of the worlds most rugged and advanced smoke generators for fire and rescue training.
- Advanced steel heater block that doubles the flow rate of the FT-100, increasing the output by 200%.
- IP rated case design that allows the FT-200 to be used outdoors. (IP rated, only in upright/vertical position)
- Sleek and compact casing design with a heavy-duty handle allows the unit to be easily transported and stored.
- Capable of multi-position operation allowing the unit to generate smoke in either a vertical or horizontal position.
- Built-in electronic timer for hands free operation.
- W-2 wireless remote included
