

HEADZ PRO

Référence: B08314

79,00 € inc. VAT

Professional on-ear DJ headphones

- Headphones designed for professional DJ use.
- The large 50mm Neodymium drivers assure supreme sound quality with enhanced bass and crystal clear high frequencies, even at high sound pressure levels!
- Very good sound isolation makes it perfect for use in very noisy environments like discotheques.
- Excellent wearing comfort with 90° swivelling earcups for DJ monitoring.
- The Headz Pro uses a detachable curled cord for easy replacement.
- Complete foldaway design for easy transport.
