

HF-HEADSET

Ultra-lightweight condenser microphone with lockable mini-jack for use with the HF-BPACK

Référence: B08310

14,90 € inc. VAT

- Ultra-lightweight condenser microphone with lockable mini-jack (with screw) for use with the HF-BPACK.
- Perfect for presentations, teachers, instructors, ...
- Sensitivity : - 47±3dB(1.5V,680KΩ;0dB=1V/Pa,1KHz)
- Output impedance: low impedance (□ 680Ω)
- Directionality: Unidirectional
- Microphone capsule: Capacitor
- Frequency range: 100Hz - 16kHz
- Operating voltage range: 1V - 10V
- Standard operating voltage: 1.5V
- Current consumption: <0,5mA
- Maximum input sound pressure level: 110dB
- S/N ratio: >60dB
