

INTRUDER

Compact, powerful wash head, equipped with 7 RGBW 40 W LEDs and 5° to 50° zoom.

Référence: B05562

499,00 € inc. VAT

- Powerful yet extremely compact Wash headlamp with 7 x 40-watt RGBW LEDs
- High-speed pan and tilt movements
- Zoom 5 - 50° controlled by DMX
- 0-100% dimming and various strobe effects
- Quiet operation even at full power
- Excellent integrated programs for constantly changing light shows
- Several operating modes:
 - DMX control: via 7, 11, 16 or 21 channels
 - Stand-alone: automatic and sound-activated thanks to internal microphone
 - Master/slave: wonderfully synchronized shows in stand-alone mode
- Prepared for wireless DMX: simply connect an optional DONGLE WTR-DMX (Briteq® order code: B04645).
- 40 W RGBW LEDs are powered at 30 W for excellent cooling and long-lasting LED performance
- Color LCD screen for easy menu navigation
- XLR 3p connectors for DMX input and output
- Power supply input and output compatible with powerCON®.
