

LED GLOBE

Référence: B06202

249,00 € inc. VAT

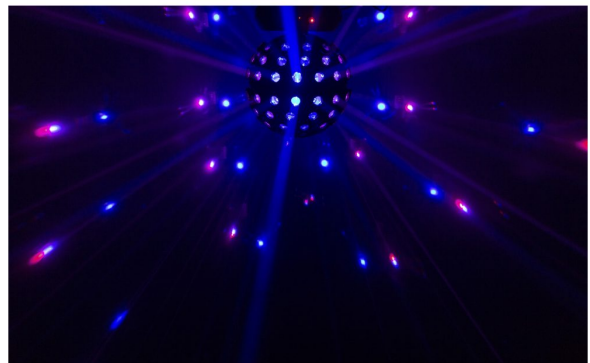

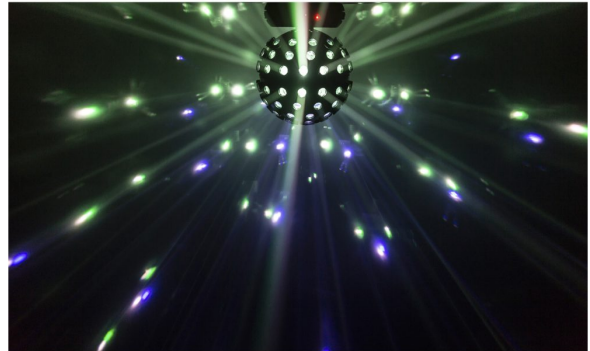

LED GLOBE is the perfect alternative to the classic mirror ball with narrow beam spotlights!

- The perfect alternative to the classic mirror ball with narrow beam projectors!
- This GLOBE LED offers the same types of effects but with many more possibilities!
- Control the speed, colors, strobe, etc., or simply use the built-in programs.
- Quick and easy installation, easy to use.
- Numerous operating modes:
 - DMX control via 1, 3, 9 or 19 channels.
 - Autonomous: sound control (by internal microphone) or automatic.
 - Stand-alone, controlled via IR remote control (included)
- Excellent integrated programs offering fabulous light effects in perpetual change.
- Multiple units can be connected in master/slave mode to create great synchronized shows.
- 3-digit LED display for easy menu navigation.
- USB connector for wireless DMX control with a Briteq® WTR-DMX dongle.
- IEC power inputs/outputs allow for easy connection of multiple bars.
