

## LED PLANO 6in1

Flat LED spotlight 7 x 12 W RGBWA + UV

Référence: B04961

**209,00 € inc. VAT**

- Extremely compact LED spotlight with low power consumption.
- Equipped with 7 x 12 W RGBWA + UV LEDs.
- IR remote control included.
- Ready for wireless DMX connection: simply plug in a WTR-DMX electronic key (Briteq® reference: 4645).
- Different modes of operation:
  - **Stand-alone with IR remote control:** automatic or rhythmically synchronized color patterns.
  - **Master/slave mode:** connect several projectors for synchronized shows.
  - **DMX controlled:** different channel modes with program selection and individual RGB control.
  - Can be used with the **LEDCON-XL** controller.
  - Mode compatible with **LEDCON-02 Mk2** (RGB parameter control only).
- Ideal for mobile applications: low power consumption and small footprint.
- Various applications: nightclubs, DJs, rental companies, etc.
- Dimming function from 0 to 100% and ultra-fast strobe (no need for additional strobes).
- 4-character LED display for easy menu navigation.
- Double bracket: easy installation as a floor spotlight.
