

## MOJO500LINE

A 500W active system with subwoofer and column + a 3 channel mixer with Bluetooth® input - 3 channel mixer with Bluetooth® input - Very wide distribution column - Nice presence on the voices and good bass rendering

**Référence:** H10529

A powerful featherweight - 500 W

This diffusion system will surprise you by its presence. Thanks to the geometry of the column drivers, the sound is diffused all around for everyone to enjoy. Finally, the integrated compressor allows you to optimize the pickup of the microphones for a better controlled sound. All this for less than 15 kg easily transportable with one hand!
