

## **MOVIL-1**

**Référence:** B08626

**199,00 € inc. VAT**

Battery powered portable speaker with internal media player + Bluetooth® TWS

- A compact multi-functional speaker system with internal media player + Bluetooth® TWS.
- The MOVIL-1 is equipped with a rechargeable Li-ion battery for mobile use.
- 2 additional mono inputs for microphones, instruments or other audio signals with individual level control.
- The mono inputs also have individual control of the echo effect.
- It has a 35mm speaker stand tube adapter, but can also be placed on the floor in many different positions.
- All this makes it the ideal tool for many applications:
  - Lightweight portable sound system for parties, singers or musicians;
  - Easy-to-carry audio system for speeches and presentations;
  - Mini sound system, even without electricity;
  - Personal audio monitor (keyboard, guitar, etc.) ;
  - Background music for garden parties;
  - Travelling companion.
- Class D amplifier 50 W rms with 6,5" woofer + 3 tweeters 3".
- Stereo mini jack input to connect an external player.
- Built-in USB drive for MP3, WAV, WMA, APE and FLAC files.
- Bluetooth® TWS function for wireless stereo when 2 speakers are used.
- Battery life: +/- 6 hours at 50% volume.
- Recharge time: 2.5 hours.
