

NAC3FXXA-W-S

Neutrik powerCON, lockable connector for mains cable, coded and color-coded (blue) for power-on, screw terminal assembly, for cable diameters from 6 to 12 mm

Référence: B01500

11,90 € inc. VAT

- Certified IEC EN 60320-1 / UL 60320-1 / CSA C22.2 No. 60320-1, therefore accepted as a component for cable sets according to IEC 60799 / UL 817 and equipment according to IEC 62368-1
- Ergonomic design with molded two-component non-slip housing
- Power-in (blue) and power-out (grey) versions with different keyings to avoid interference
- Unique Neutrik locking and strain relief sleeve for cable diameters from 6 mm to 12 mm
- Easy to assemble as the strain relief mechanically locks with the insert and aligns with the housing
- High quality Neutrik standard, extremely robust and reliable
- Simple and reliable locking system
- Better protection against wrinkles thanks to a two-component sleeve
