

NC5MXX-BAG

Neutrik XLR male 5-pin cable connector with black metal body and silver contacts

Référence: B01472

11,90 € inc. VAT

- Male connector with improved locking notch without "window", stronger housing for increased durability
- Improved mandrel-type strain relief provides higher pull-out force and makes assembly easier and faster
- End cap with polyurethane gland provides high protection against cable bending stress
- Colored rings and caps available for coding or identification
- Elegant and ergonomic design - efficient and practical
- Durable and reliable die-cast zinc shell
- The internal thread of the shell is well protected against damage
