Neutrik speakON 4-pole cable connector, screw terminal,
strain relief for cable diameters from 6 to 12 mm

SKU: B01499

Categories: [Connectors](#)

brand Neutrik

- Up to 37 A rated current
- Unique Neutrik locking socket and strain relief for cable diameters from 6 mm to 12 mm
- IEC 61984 certified, therefore accepted as a component of equipment according to IEC 62368-1
- Superior NEUTRIK quality standard, extremely robust and reliable
- Easy to assemble as the strain relief mechanically locks with the insert and aligns with the housing
- Simple and reliable locking system
- Ergonomic design with non-slip two-component molded housing
- Better crease protection due to the two-component sleeve
