PARTY BAR is a fabulous 4-in-1 light show for mobile DJs!

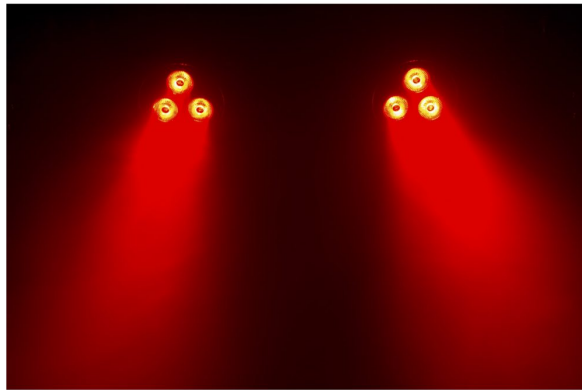

- The PARTY BAR is a fabulous 4-in-1 light show for mobile DJs!
- This extremely compact bar has 4 different types of light shows to create wonderful light shows:
 - 2 Derby spinning effects, each with a 3W red, green and blue LED
 - 2 LED floodlights, each with 3 x 9W RGB LEDs to create powerful 15° beams
 - 4 cool white LEDs to create all kinds of strobe and blinding effects
 - The Class 3R dual-color 100mW red/30mW green laser projects hundreds of narrow beams to create a crazy atmosphere
- The fabulous pre-programmed shows with different combinations of effects can be controlled in various ways:
 - DMX control: via 3, 5, 6, 9 or 27 channels.
 - Autonomous: sound activation (by internal microphone) or automatic.
 - IR remote control: control by infrared remote control.
- Multiple bars can be linked in master/slave mode to create wonderful synchronized shows.
- Ready for a wireless DMX connection: just plug in a WTR-DMX dongle! (Briteq ® reference number: B04645)
- 3-digit LED display for easy menu navigation.
- The bar can be mounted on any 35 mm bracket or use the included mounting brackets.
- With the included carrying case, moving around is a breeze!
- Very low power consumption: 48 W only with lights on!
- The IEC power input/output allows multiple units to be connected.
- Key-operated on/off switch and emergency stop (lockout) switch for added laser system safety
- Complies with EN/IEC 60825-1 2007 laser safety standards
