PRO Platforms

The PRO range is compatible with the platforms most used by providers.

Thanks to their structure, they can be used both indoors and outdoors. The top of the platform is made of water-resistant plywood with a non-slip coating.

Compatible with these types of round legs

Platforms can be supported by PRO series round legs only. The quick-locking system of the legs ensures a good stability to the set.

Frame material : Aluminium

Top: 15 mm plywood with anti-slip coating
