

POWERBALL COLOR

Référence: B06229

359,00 € inc. VAT

Powerful 200 W LED version of the classic disco ball with pinspots Generates rotating colored beams, controlled by DMX, manually or by sound.

- Powerful 200W LED alternative to the classic disco ball with spotlights and color changers!
- This POWERBALL offers the same kind of effect but with many more possibilities!
- 20 x 10-watt LEDs (5x Red + 5x Green + 5x Blue + 5x White) in 4 individually controllable groups.
- Quick and easy to install, easy to use.
- Full DMX control of rotation speed, colors, strobe, etc.
- Or simply use the excellent built-in programs for wonderful, constantly changing light shows.
- Several operating modes:
 - DMX control via 1, 3, 4 or 10 channels
 - Stand-alone: sound-activated (internal microphone) or automatic
 - Stand-alone: controlled by the supplied IR remote control
- Several units can be connected in master/slave mode to create magnificent synchronized shows.
- 3-digit LED display for easy menu navigation.
- USB connection for wireless DMX control with optional Briteq® WTR-DMX dongle.
- Multiple units can be easily interconnected via the Powercon power input/output.
- Easy truss mounting using the Omega bracket included.
- Reduced height for fixed installation in cafés and clubs with low ceilings.
