

POWERBALL WHITE

Powerful 200 W LED version of the classic disco ball with pinspots. Hot and cold white rotating beams controlled by DMX, manually or by sound.

Référence: B06230

359,00 € inc. VAT

- POWERBALL LED 200W: a powerful, modern alternative to the classic disco ball.
- 20 x 10W LEDs (10 warm white + 10 cool white), grouped into 4 controllable zones.
- Flexible control modes: DMX (1, 3, 4, 8 or 10 channels), sound-activated stand-alone mode, automatic or IR remote control included.
- Practical options: integrated programs for light shows and master/slave connection.
- Wireless DMX control with optional Briteq® WTR-DMX dongle and Powercon connection for power chaining.
- Simple installation with Omega bracket, compact for spaces with low ceilings.
- 3-digit LED display for quick configuration.
