

ROTOGOBO ZOOM

Référence: B05166

329,00 € inc. VAT

A powerful logo projector based on a 50 W cold white LED

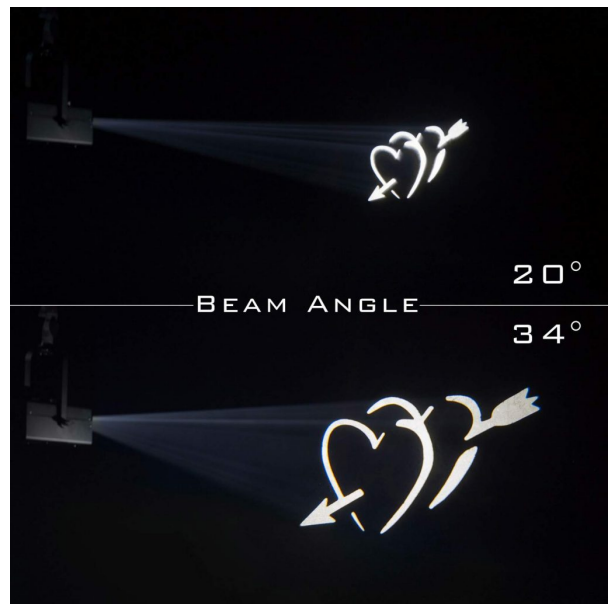

- A powerful logo projector based on a 50W cold white LED.
- Low gobo heat: no need for expensive glass or heat-resistant metal gobo wheels!
- Four FREE metal gobos including: [Sale, Happy New-Year, Gifts, Hearts]
- Uses regular metal gobos and glass gobos.
- You can also use plastic film gobos created by a simple laser printer!
(*Gobo templates and instructions available on our website*)
- Adjustable beam angle: from 20° to 34°.
- Adjustable focus.
- Different modes of operation:
 - **Stand-alone:** manual settings for dimmer, strobe and rotation (by infrared remote control).
 - **Master/slave mode:** multiple projectors can be used together for synchronized projections.
 - **DMX control:** 1, 2, 3 or 4 channel mode.
- Infrared remote control included.
- Ready for a wireless DMX connection: just plug in a DONGLE WTR-DMX dongle! (Briteq® reference number: B04645)
- LED display (2 x 8) alphanumeric for easy menu navigation.
- Very quiet operation: ideal for stores and showrooms.
