Overview

Generous sound worthy of much larger speakers. Voices and instruments retain their full homogeneity, regardless of positioning - horizontal or vertical - while bass remains full and deep, all in a compact, easy-to-install format.

Crafted woodwork and a sober, trendy finish

Faithful, deep and dynamic 2-way full range

Wide range for all types of installation, from background music to more advanced sound systems

Optional SUPSL hooks

SpeakON connection and Eurobloc connector

Integral multi-ply body grille

Hanger inserts at rear and top/bottom for horizontal or vertical mounting

VESA 100×100 compatible

Compatible with X/Y swivel wall brackets for vertical speaker positioning

Equipped with two drivers: one dedicated to bass, the other coaxial for increased efficiency and excellent midrange and treble precision
