

SPACE-4 Mk2 LASER

Référence: B06220

139,00 € inc. VAT

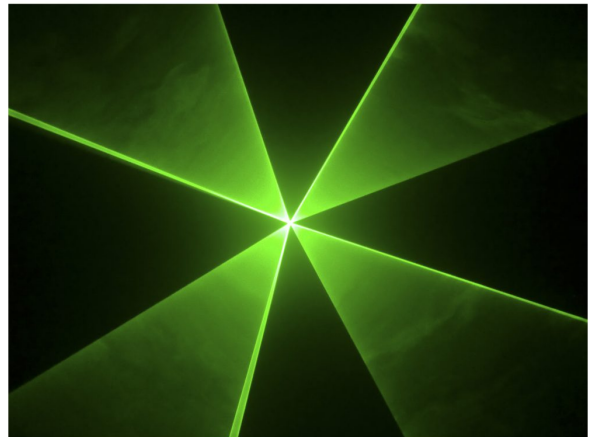

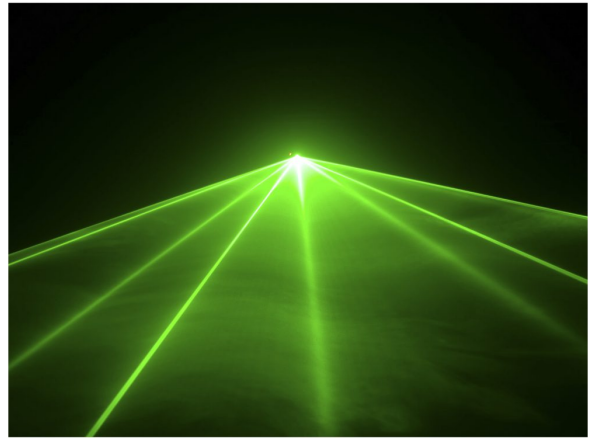

Attractive 50mW green laser for DJs, pubs and small discos

- This device is designed to produce decorative effect lighting and is used in light show systems.
- It is a compact but very efficient class 3B green laser of 50 mW (515 nm).
- Fabulous pre-programmed laser shows for all kinds of applications: bar lounge, discotheque, mobile DJ, ...
- Several operating modes:
 - DMX control: 1 channel for easy use or 8 channels for total control.
 - Autonomous: activated by sound (internal microphone) or automatic.
 - IR remote control: infrared remote control.
 - Master/slave: wonderful synchronized shows.
- Integrated microphone.
- 3-digit LED display for easy menu navigation.
- Key-operated on/off switch and emergency switch (lockout) for added security.
- Complies with EN/IEC 60825-1:2014 for laser safety.

Caractéristiques
