

## TAPEFIX65

4,90 € inc. VAT

The TAPEFIX65 is designed to facilitate your installations. Bridges allow the tape to be attached to surfaces that are rough or not suitable for the original adhesive. The plugs and silicone ensure that the sealing qualities of the tape are maintained after the original roll has been segmented.

- 15 fixing brackets for IP65 type tape
- 5 sealing plugs for IP65 tape
- 1 tube of silicone to seal the plugs
