

## TOURING BAG - SA-B15

Protective cover for SA-B15 housing

Référence: B08636

**59,00 € inc. VAT**

- This protective transport cover is made from ultra-resistant 1680D black polyester.
- It features a TPU coating for 100% waterproofing.
- The 10 mm thick polyethylene foam padding provides optimum protection for the loudspeaker during transport.
- Includes storage compartment for power cable.
- Slips neatly over the loudspeaker, with the handles remaining operational.
- The carrying bag is held firmly in place by a Velcro strap.
