Quick-release hook

10X FASTER!

This mounting hook is equipped with the ultra-fast "CLICK-ON" installation system.

[thb_image retina="retina_size" full_width="true" animation="animation bottom-to-top" alignment="aligncenter" image="2955"][/thb_image]

10 times faster installation compared to standard hooks. Thanks to the enormous time savings during assembly and disassembly, this mounting hook is the ideal choice.

Perfect for aluminum tubes (no damage), it is equipped with an M10 bolt and wing nut to fix any suitable support.

Adjustable for use on ALU tubes of
48 mm to 51 mm
