

ULTRA CLAMP silver

Quick-release hook for 48 to 51 mm tubes CMU: 150 kg

Référence: H11100

23,00 € inc. VAT

Quick-release hook - 10x faster! This mounting hook is equipped with the ultra-fast "CLICK-ON" installation system. 10 times faster installation compared to standard hooks. Thanks to the enormous time savings during assembly and disassembly, this mounting hook is the ideal choice. Perfect for aluminum tubes (no damage), it is equipped with an M10 bolt and wing nut to fix any suitable support. Adjustable for use on ALU tubes from 48 mm to 51 mm
