

UNO-1/2MANCH

Additional half sleeve

Référence: H10254

15,00 € inc. VAT

- Manufactured to ISO DIN 4113 and TÜV standards.
- Aluminium alloy structure (EN AW 6082 T6).
- The use of conical joints and wedges allows a very fast implementation of all types of configurations combining a great robustness with an irreproachable stability.
- Disassembly is also quick and easy.
